Night golf packages include:

- Shotgun start
- One Glow Ball per person (additional: \$5.00 each)
- One Glow Necklace per person
- Golf course set up (lighted tees, flagsticks and holes)

Option #1:

- 4 Hole Event
- Minimum 24 players; maximum 32 players
- Average time to play: 1.5 hours
- Cost: \$60 per player

Option #2:

- 9 Hole Event
- Minimum 36 players; maximum 72 players
- Average time to play: 3 hours
- Cost: \$75 per player

Tee Times vary for different groups. In the summer season, starting times are usually around 9:00 PM. For a nine hole tournament one suggestion might be to tee off at 8:00 PM, playing the first 4 to 5 holes in the light and then playing the last 4 to 5 holes in the dark. A beverage cart will be available during your tournament. Rental clubs are available. One set per foursome is all that is really needed. Fivesomes and Sixsomes are not uncommon in a night golf tournament. A scramble format is suggested for all night golf tournaments.

COSMIC GOLF PUTTING

This year, follow up the indoor meeting with an outdoor team building event. Gather the group around the putting green for a Night Golf Putting Tournament. The practice green, located adjacent to the outdoor fire pit and patio, is an ideal setting for the evening event.

Our staff will set up a 5 or 9 hole putting course, where the holes are outlined with glow sticks and the players will use their skill to hit their glow ball into the hole. Not as easy as it sounds as the staff has accessorized the green with unique obstacles. This promises to be great fun for the novice and the experienced player.

Night Putting Tournaments include:

- Lighted 5 or 9 hole mini golf course
- 25 glow balls
- Putters for the tournament
- Cost: \$1,500 for 5 holes; \$2,000 for 9 holes

Prior to the tournament guests can enjoy bocce ball on one of the two regulation bocce ball courts (house rules apply), or gather for a game of bags.
