MASSAGE THERAPY

Eaglewood Indulgence ●

Whether your body craves relaxation, stress-and-tension alleviation or the soothing of tired, achy muscles, our expertly trained massage therapists will customize the ideal massage for you using a combination of aromatherapy, hot stone, reflexology and therapeutic massage techniques.

Alpine Arnica Deep Tissue ● ●

This intensive, deep tissue treatment using the best of nature's pharmacy: arnica, basil and rosemary, releases muscle tension, restores mobility, vitality, and body comfort. Deeper manipulation of the body's soft tissue to stimulate circulation and promote relaxation. This is the perfect retreat for post work-out body stress.

Chill & Relax Therapeutic Massage ● ●

This goes one step beyond the standard therapeutic massage. CBD is known for its sedative and antispasmodic properties—soothing anxiety and nervous tension, melting stress and reducing chronic muscle pain. Ginger is an ancient anti-inflammatory and antioxidant that helps your body repair, leaving you ready for your next adventure.

Himalayan Salt Massage ●

Warm salt crystal stones soothe away stress and tension and promote an increased sense of well-being. The minerals provide a gentle exfoliation on the skin, making the skin feel smooth and soft after your massage session. Its grounding properties help to improve sleep and balance the central nervous system.

oooh Bamboo Massage ●

This invigorating massage will help melt away stress and tension throughout the body. The use of warm bamboo sticks works deeper into the muscles for improved circulation and deep relaxation.

Hot Stone Massage ● ●

Experience the healing art that uses warm basalt stones to relax the muscles and transcend into a deep, restorative rest. The warmth of the earthly stones intensifies healing, deep relaxation and a balance of mind, body and spirit.

BODY TREATMENTS

Nourishing Wrap & Massage ●

A cozy hot wrap aids in drawing out impurities, followed by a warm oil application to seal in moisture. Formulated with Amazonian white clay, rice peptides, and dried plum powder to tighten, brighten, and moisturize the skin's appearance followed with a relaxing massage to leave you feeling nourished.

The Mallow Soothing Facial ● ●

Designed to help calm inflammation, alleviate redness, and repair the skin's barrier function, this healing and restorative facial provides immediate relief for sensitive skin using hydrating marshmallow (althaea officinalis) extract, reparative Mediterranean microalgae, nourishing probiotics, and moisture-locking ceramides.
