Eaglewood Resort & Spa announces results of 2014 Recycling

Itasca, Illinois (Chicago), February 2015 – The AAA Four Diamond Eaglewood Resort & Spa, which opened in 2002 as a purpose-built resort destination for guests visiting for business and pleasure, is pleased to announce the results of 2014 recycling initiatives.

The resort was founded with the ideals of embracing nature in a holistic, inspiring setting. In keeping with the mission of focusing on the intersection of business, nature, pleasure and relaxation, Eaglewood Resort & Spa has undertaken an aggressive recycling program to ensure sustainability and reducing the carbon footprint of the resort.

Throughout the years, a strong emphasis has been placed on promoting activities within the resort that foster a culture of care for all stakeholders, from guests to the community and environment.
