Eaglewood Resort & Spa Earns 2016 TripAdvisor Certificate of Excellence

Itasca, Ill. (June 7, 2016) – Eaglewood Resort & Spa today announced that it has received a TripAdvisor® Certificate of Excellence. Now in its sixth year, the achievement celebrates hospitality businesses that have earned great traveler reviews on TripAdvisor over the past year. Certificate of Excellence recipients include accommodations, eateries and attractions located all over the world that have continually delivered a quality customer experience.

“We are truly delighted to receive this recognition from such a trusted and widely-used source for travel information,” said Tom Garcia, general manager of the property. “Being able to showcase our accommodations and share the valued opinions of our guests are important aspects in maintaining relationships with our customers.”

“With the Certificate of Excellence, TripAdvisor honors hospitality businesses that have consistently received strong praise and ratings from travelers,” said Heather Leisman, Vice President of Industry Marketing, TripAdvisor. “This recognition helps travelers identify and book properties that regularly deliver great service. TripAdvisor is proud to play this integral role in helping travelers feel more confident in their booking decisions.”

The Certificate of Excellence accounts for the quality, quantity and recency of reviews submitted by travelers on TripAdvisor over a 12-month period. To qualify, a business must maintain an overall TripAdvisor bubble rating of at least four out of five, have a minimum number of reviews and must have been listed on TripAdvisor for at least 12 months.
